Dort Federal Credit Union to Build Two New Branches

On December 19, 2017, a groundbreaking ceremony was held to kick off the construction of a new Dort Federal Credit Union branch located in front of Meijer; just north of the Meijer gas station at 4131 Morrish Road in Swartz Creek. This facility will bring a new member experience with state-of-the-art technology. Mayor of Swartz Creek, David Krueger, joined several members of the Dort Federal Credit Union Board of Directors and Executive Team at the ground breaking.

On January 31, 2018, a second groundbreaking ceremony was held to announce the construction of the new branch in Clio. This branch will be located at 11411 Linden Road and will be in front of the Walmart; next to Lucky’s Steakhouse. This branch will also have the new state-of-the-art Interactive Teller Machines as the Swartz Creek branch.

“We are excited to bring a new member experience to these two communities. We are delighted about the facilities and the services it will make available to our members and people living in the surrounding communities,” Vicki Hawkins, CEO, stated. “We are looking forward to having a physical presence in these communities and help grow the local economy.”

Both new branches are projected to open in the Summer of 2018 and will help serve the more than 83,000 current members of the credit union. These branches are in addition to the seven existing branch locations in and around the Greater Flint area. We look forward to serving these communities with the same great service our members enjoy at our current locations!
